Number 2

Thursday, June 8, 2017

The House was called to order by the Speaker at 10:30 a.m.

Prayer

The following prayer was offered by the Honorable Shevrin D. "Shev" Jones:

Father, we thank You this morning. We thank You for life. We thank You for health. We thank You for strength. We thank You for the opportunity to come back here in these chambers to do the people's work. Lord, we thank You for waking us up this morning, giving us another opportunity to do this again—do it right. Giving us another opportunity to come before You, Lord. God, we pray this morning for the Speaker of the House, Richard Corcoran. We pray for every leader that stands here today. God, we pray for our families back at home. Cover them. Protect them. God, lead and guide our footsteps so that we may do what we have been called to do. Now, Lord, we ask You, those who might be sick, heal them. Lord, we ask You this morning that although we might have different opinions, never divide us. Keep us together. Allow us to walk out of these chambers holding hands, knowing that we are one. We love You and we thank You. In Christ's name, Amen.

(b) The state's operating investment in Enterprise Florida, Inc., and its divisions is the budget contracted by the department to Enterprise Florida, Inc., less any funding that is directed by the Legislature to be subcontracted to a specific recipient entity.

(c) The board of directors of Enterprise Florida, Inc., shall adopt for each upcoming fiscal year an operating budget for the organization, including its divisions, which specifies the intended uses of the state's operating investment and a plan for securing private sector support.

(2)(a) The Legislature finds that it is a priority to maximize private sector support in operating Enterprise Florida, Inc., and its divisions, as an endorsement of its value and as an enhancement of its efforts. The value of air time or print space shall be calculated by taking the actual time or space and multiplying by the nonnegotiated unit price for that specific time or space which is known as the media equivalency value. In order to avoid duplication in determining media equivalency value, only the value of the promotion itself shall be included; the value of the items contributed for the promotion may not be included.
